[How to Play Mahjong](#) Green Wayne,2023-04-25 Mahjong is a game invented in the 19th century in china and began to gain popularity in the early 20th century. Mahjong is game pieces that belong to the family of tile-based games. Traditionally, four players will gather around a table to compete in a game of mahjong; however, there are variations of the game that only require three players. Participants will frequently roll the dice, shuffle the tiles, and engage in other distribution of tiles. After that, the trading of tiles will commence. The game is over when one player has a hand of 14 tiles that are identical and declares mahjong. After that, the tiles are given a score, and the winner is announced.
